BEST PRACTICES**

Title of the Practice - 1

‘IMPLEMENTATION OF UNIFORM CODE FOR STUDENTS’

Objectives of the Practice

- The objective behind the uniform code with other students in the Institute is to inculcate a sense of we feeling.
- The uniform code also helps in planning the academic programs and its implementation.
- The uniform code help the faculty in we feeling in the Institute

The Context

There is a system of uniform code for all nursing students in terms of uniform, holidays, facilities and activities to develop a sense of we feeling amongst all the cadre of the Institute. The resolution to implement the uniform code was passed in management meeting, staff meeting of the institute.

The complete uniform is as follows

- The fresher's of all the programs are given orientation to the Samstha and the campus on the first day of joining.
- All the fresh students are given one week in the beginning of the academic year for guidance and counseling and parent teachers meeting. This week is also for the mentor and mentee interaction phase.
- All the extracurricular activities are planned so that all students can participate in it together.
- The number of holidays for all the students and faculty are same. This brings we feeling in the Institute.
- Periodically all the students are addressed and interacted together to have unity among themselves.

Evidence of success

The evidence of success is the unity that is seen in the Institute hosting all the programs of Nursing Education. Students develop a sense of unity and learn to respect and accept all the other cadres.

Problems encountered and resources required

No problems are encountered as the financial resources not required for the implementation of this practice. Uniform code is implemented successfully in the institute.
