STUDENTS INVOLVEMENT IN DECISION MAKING PROCESS

Objectives of the Practice

1. To enhance the leadership qualities among students.

2. To improve the decision making skill among students.

3. To make the students more accountable and responsible towards college activities.

4. To help the students in their all-round personality development.

The Context

Decision making process is an important part of everybody's life and it helps the individual to choose the appropriate strategies during important events of their life. The practice of having Students Nurses Association enhances the student's leadership qualities, improve their higher intellectual process and help them to understand their responsibility. The Student's nurses association is student's representative body elected by the students themselves. Various committees were framed under SNA, which plan, organizes and monitor the student related activities. The committees are Health Committee, Discipline Committee, Sports committee, Cultural Committee, Hostel Committee, Editorial Committee, Finance committee etc.

Evidence of Success

Personality development and grooming of the students are done throughout their degree course by making them involve in student nurses association activities and by the end of their course they become highly mature, confident, accountable and ready to face the challenges of the outside world. MKSSS Smt Bakul Tambat Institute of Nursing Education's, Pune, students are accepted worldwide with great respect.
