Introduction Smt Bakul Tambat Institute of Nursing Education is using Google workspace previously known as G-suite as learning management system. This system was introduced on 1st August 2020 at our institute and installed version is Educational fundamental version. Google workspaces enable an inclusive learning environment with individual accessibility settings that fit each student's unique learning style. Help educators save time with Classroom and Assignments by easily creating courses, organizing classwork, distributing assessments, and sharing rich feedback, ensure consistent, transparent grading and feedback with rubrics and a comment bank, Help educators streamline workloads by posting and scheduling coursework and building to-do lists in Classroom, Guide original thinking and academic integrity with quick scans to flag citation issues in originality report. Easily add users, manage devices, and configure security and settings so your data stays safe Stay protected on any device, distribute apps on mobile devices, and limit remote access to any endpoint Safeguard sensitive data in Gmail and Drive with automated data loss prevention (DLP).

## Features of Google workspace

Google admin is an administrator who control and manage all accounts and process reports.

Following functions collaborate in real time with Docs, Sheets, Slides, Forms, Sites, and Jamboard.

Google classroom and assignment engage students directly within Classroom to provide clear guidance for doing their best work.

Gmail Meet and Chat communicate with learners, educators, guardians, and administrators from anywhere.

Classroom Assignments

---

**Boost productivity**  
Give teachers easy-to-use tools to help simplify tasks and save time.

Gmail Meet Chat

---

**Communicate flexibly**  
Connect your institution with email, chat, and video.

Google keep and calendar helps in maintaining records of your academic planning.

Keep Calendar

---

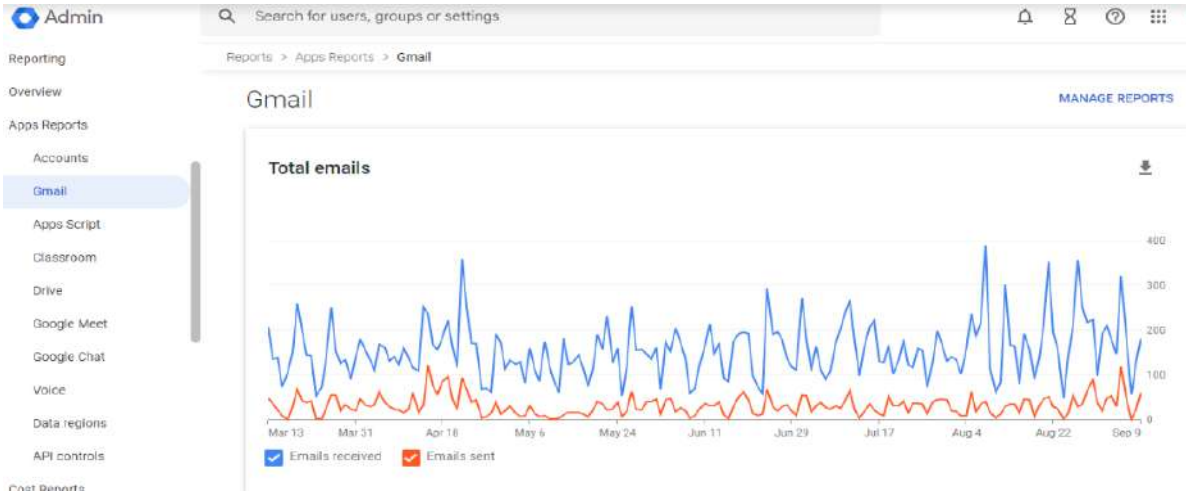

**Organize your tasks**  
Build to-do lists, create task reminders, schedule meetings, and help keep on top of tasks.

### **Advantages of Google workspace**

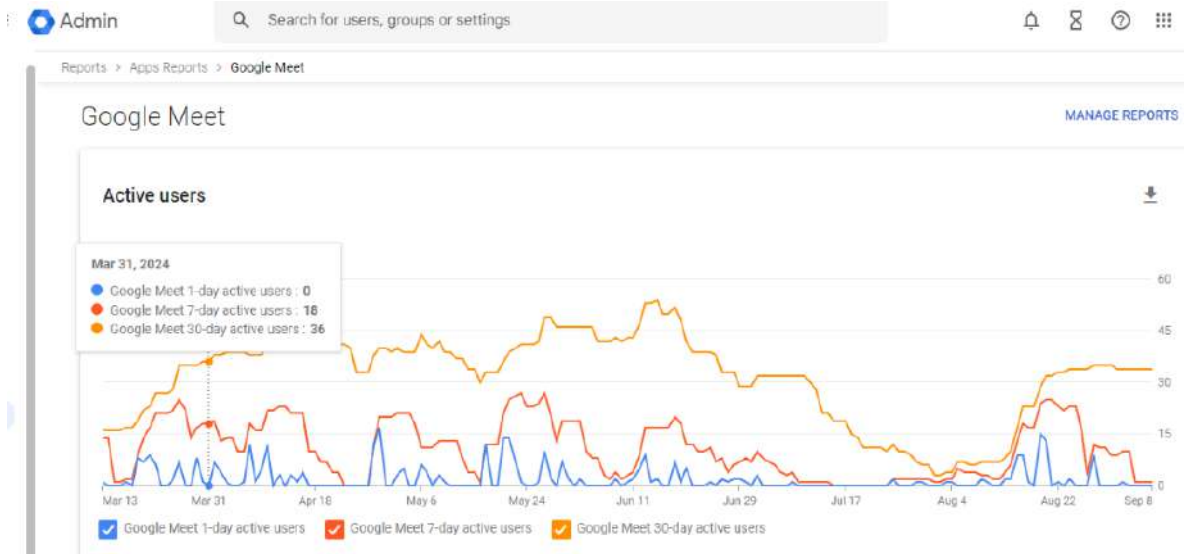

1. Institution-wide email (Gmail)
2. Shared calendars
3. Unlimited cloud storage
4. Data Protection Capabilities
5. Spam regulation
6. Easy Collaboration and Sharing
7. Capability to Store and Manage Large Amounts of Data and Make It Accessible Anywhere
8. Easy implementation and deployment
