On the occasion on Women's day MKSSS, BTINE had organized a session and workshop in collaboration with CAMPUS KONNECT (Sponsored by Gillette Venus and Whisper) On "Menstrual hygiene, Confidence building and Soft skill training". An overall idea was given on how we can empower ourselves as women and the most common issue that all women face is menstruation and mostly this is the reason why many women and college going students face challenges to continuing living a normal life. Menstrual hygiene aspects were taught to the students. Videos were shown, activities were taken where students participated and had a good session. A scanner was given to all participants in which they had to fill a Google form and participate in this drive. Hampers were distributed to students as well as teachers which had whisper pads.
