### **1. Visit to Deenanath Mangeshkar Hospital, Pune**

As a part of Nursing Foundation practical, First Semester B. Sc. Nursing students had a visit to Deenanath Mangeshkar Hospital, Pune on 04/12/2024. The students were divided into 3 groups. The visit started at 10:00am. At the beginning of the visit, the students were given the orientation of whole hospital. Floor wise information and location of various departments were explained to the students. Students got information about staffing pattern, work pattern of different wards, etc. Deenanath Mangeshkar Hospital is 1000 bedded hospital with 12 operation theaters, super specialized ICU units, blood banks, etc. we get all the information related to admission policy, diagnosis, treatment, discharge and infection control from the Infection Control Nurse (ICN) Mrs. Saraswati. Our faculty Mrs. Deepali Shinde and Ms. Aaditi Shirke were accompanied the students during the visit.

### **2. Visit to Bio-medical Waste Management and Infection control practices:**

As a part of Nursing Foundation practical, First Semester B. Sc. Nursing students had a visit to DMH, Pune on 04/12/2024. The Bio-medical Waste Management and Infection control practices session was arranged in the DMH auditorium at 8<sup>th</sup> floor of old building. The visit started at 10:00am. The session was conducted by Infection Control Nurse (ICN) Mrs. Saraswati. During the session students got detailed information about standard precautions, linen management, disinfectants used in the DMH, color-coding of Bio-Medical Waste Management were explained to the students, demonstration of hand-washing techniques was shown to the students. Hazards and prevention of needle-stick injury were briefly explained. After completing the session the students were divided into 3 groups for hospital orientation. Faculty members Mrs. Deepali Shinde and Ms. Aaditi Shirke accompanied the students during the visit.

### **3. Visit to Central Sterile Supply Department, DMH:**

As a part of Nursing Foundation subject, First Semester B. Sc. Nursing students visited to Central Sterile Supply Department (CSSD) of Deenanath Mangeshkar Hospital, Pune on 04/12/2024 at 10:30am. For this visit prior permission was taken from CSSD head of the DMH. Students had instructed to bring cap, mask, washed uniform and washed slippers for entering in the CSSD. Students were divided into 3 groups for the visit to prevent overcrowding and infection. In this visit, the students learned about the meaning of CSSD, its physical setup, methods of sterilization, procedure of sterilization, different records maintained in the CSSD, about autoclaving methods and nurse's role in CSSD. Faculty members Mrs. Deepali Shinde and Ms. Aaditi Shirke accompanied the students during the visit.

#### 4. Visit to Mahila Seva Mandal:

As a part of Applied Sociology, First Semester B. Sc. Nursing students visited to the Mahila Seva Mandal on 16/11/2024. Objectives of the visit were provided to the students. The students were given detailed information about the institute. The physical setup, routine and activities, admission and discharge process, need and functioning of the institute. After the session students had a visit to all area of the institute. The students were accompanied by Ms. Ashwini Lande during the visit.

### **1. Vaccine Storage, Pune.**

As a part of applied microbiology curriculum programme, 44 Third semester B.Sc. Nursing students visited Vaccine Storage centre, Pune on 13/09/2024 from 10:00 am to 12:00 pm. The Vaccine Storage is at Mangalwar Peth near Pune station. Students were provided with information regarding vaccine storage transportation and cold chain process. The Vaccine Storage has various areas in which they maintain stable temperature daily and use advanced quality machines. The information on the vaccine storage was provided by HOD Mr Nikhil Jadhav, Mrs. Dipali Awate, and Ms Priyanka Kore faculty of MKSSS BTINE accompanied the students during the visit.

### **2. Waste Management process and infection prevention**

As a part Infection control including safety curriculum programme, 44 Third Semester B.Sc. Nursing students Pune on 26/09/2024 from 3:00 pm to 5:00 pm. The students attend the lecture regarding Biomedical Waste Management. The information was provided by Infection control Nurse Mrs. Indu sister, Mrs. Devshri Borade faculty of MKSSS BTINE accompanied the students during the visit.

### **3. Pathology lab, DMH, Erandwane, Pune.**

As a part of Pathology curriculum, 44, Third semester Nursing students visited the Pathology lab of DMH, Pune on 14/10/2024 from 02:00 pm to 04:00 pm. The Pathology lab is situated on the first floor of DMH. Students were provided with information regarding specimen collection, transportation, and storage. Student gained knowledge about the colour coding of vacutainer The pathology lab has various areas in which they maintain stability daily and use advanced the storage condition quality machines. The information on the pathology lab was provided by director Dr. Shefali Purandare and lab Assistants. Ms. Priyanka Kore and Ms. Vaishali Patil faculty of MKSSS BTINE accompanied the students during the visit.

### **4. Biochemistry Lab, DMH, Erandwane, Pune.**

As a part of Pathology curriculum, 44 Third semester B.Sc. Nursing students visited the biochemistry lab of DMH, Pune on 14/10/2024 from 02:00 pm to 04:00 pm. The biochemistry lab is situated on the first floor of DMH. Student was provided with information regarding transportation and storage. Student gained knowledge about the different machineries and equipment used during the procedure biochemistry lab has various areas in which they maintain stability daily and use advanced the storage condition quality machines. The information on the biochemistry lab was provided by director Dr Shefali Purandare, Ms. Priyanka Kore and Ms. Vaishali Patil faculty of MKSSS BTINE accompanied the students during the visit.

#### **5. PFT Clinic, DMH, Erandwane, Pune**

As a part of Adult Health Nursing practical, 44 third semester B.Sc. Nursing students visited the PFT clinic of DMH, Pune on 21/09/2024 from 10:00 pm to 12:00 pm. The PFT clinic is situated on the second floor of DMH. Students were provided with information regarding transportation and storage. Student gained knowledge about the different machineries and equipment used during the procedure has various areas in which they maintain stability daily and use advanced the storage condition quality machines. The information was provided by technician. Ms. Priyanka Kore and Ms. Devshri Borade faculty of MKSSS BTINE accompanied the students during the visit.

#### **6. Visit Blood Bank, DMH, Pune.**

As a part Adult Health Nursing practical, 44 Third semester B.Sc. Nursing students visited the Blood Bank of DMH, Pune on 3/09/2024 from 01:00pm to 03:00 pm. The Blood Bank is situated on the ground floor. We were provided with information regarding blood collection, blood transfusion and storage. The Blood Bank has various areas in which they maintain stability daily and use advanced quality machines. The information on the blood bank was provided by Ms.Brindra Kakkar. Ms.Priyanka Kore and Mrs. Dipali Awate faculty of MKSSS BTINE accompanied the students during the visit.

#### **7. Stoma Clinic, DMH, Erandwane, Pune.**

As a part of Adult Health Nursing practical, 44 Third semester B.Sc. Nursing students visited the Stoma clinic of DMH, Pune on 21/09/2024 from 02:00 am to 04:00 pm. The Stoma clinic is situated at annexure wing of old building near wound care department. Student was provided with information about various type of stoma. How to care for a patient with colostomy and urostomy. The stoma clinic nurse discusses how to educate patient and family with colostomy also describe the complication and indication of procedure. The information on the stoma clinic was provided by Ms.Patekar Sister. Ms. Devshri Borade faculty of MKSSS BTINE accompanied the students during the visit.

#### **8. Hyperbaric Oxygen Therapy, DMH, Pune**

As a part of Adult Health Nursing practical, 44 Third Semester B.Sc. Nursing students visited the HBOT department of DMH, Pune on 12/09/2024 from 11:00 am to 12:00 pm. The HBOT department is situated at annexure wing of old building ground floor. Students were provided with information regarding the procedure and mechanism of the machine. How the procedure helps to heal the wound of patient the compatibility of patient depends upon the type and duration of wound. Students were made aware about details and care for the machine. The information on the blood bank was provided by HOD Dr. Ratnmala.

Ms. Devshri Borade and Priyanka Kore faculty of MKSSS BTINE accompanied the students during the visit.

### 9. Artificial Limb Centre, Wanwadi Pune.

As a part of Adult Health Nursing practical, Semester III rd. 44 Nursing students visited the Artificial limb centre, Pune on from 11: 00 am to 1:00 pm. The artificial limb centre is in Wanwadi Pune. Students were provided with information regarding prothesis and orthoses. Faculty also describe various types of amputation and how prosthesis is made according to condition. Student also provided details about different workshop and department like painting, cast, modelling and remodelling. They also gave details about gait training department. The information on the was provided by Mrs. Dipali Awate Ms. Priyanka Kore faculty of MKSSS BTINE accompanied the students during the visit.

The students got the orientation of Hyperbaric Oxygen Therapy department. students got all the information related to physical setup, equipment used in HBOT, role and responsibilities of HBOT personnel, principles, indications, contraindications for HBOT. Advantages of HBOT. Ms. Pratisksha A, clinical instructor, accompanied the students.

### **11. Visit to Cipla Palliative Cancer**

As a part of Advanced Nursing Practice and Medical Surgical Nursing -1, our 05, First year M.Sc. Nursing students visited to Cipla palliative Care, Pune on 27/12/2024. This institute usually works for terminally ill

cancer patients. We get to know about physical setup, admission and discharge procedure, facilities provided for patients, medical management, nursing management and alternative therapies given to the patients. Whole center is funded by Cipla foundation. Ms. Samruddhi Kadam, clinical instructor, accompanied the students.

## **12. Visit to Muktangnan Deaddiction Centre**

As a part of Mental Health Nursing Practical, our 02, First year M.Sc. Nursing students visited to Muktangnan Rehabilitation Center, Pune on 03/04/2025. In this visit we learned about the physical set-up, admission and discharge policy, follow up, various therapies and activities performed in de-addiction centers and the concept of an alcoholic anonymous group. Mrs. Akshata Tendulkar, lecturer, accompanied the students during the visit.

## **13. Visit to Prison, Yerwada, Pune**

As a part of Mental Health Nursing Practical, our 02, First year M.Sc. Nursing students visited to Prison, Yerwada, Pune on 03/04/2025. In this visit, the students learned about the physical set-up, security, activity of prisoner and parole activities. The instructor give physical orientation of female section of the prison. Various support for financial help related activities goes on and prisoner earn money through various role they take in their role assigned to them. Ms. Smita Lisham, Associate Professor, accompanied the students during the visit.

## **14. Visit to Kamayani School for Mentally Handicapped**

As a part of Nursing Education and Mental Health Nursing Practical, our 05, First year M.Sc. Nursing students visited Kamayani School for Mentally Handicapped located in Gokhale Nagar, Pune on 03/04/2025. The school building includes 11 classrooms, a small library, and basic amenities such as accessible toilets and ramps for mobility. Though the infrastructure is modest, the learning environment is inclusive, safe, and supportive. During the visit, students observed that the teaching methods were highly individualized and adapted to each child's abilities and needs. From a psychiatric nursing perspective, the visit provided valuable insights into the challenges and needs of children with mental and developmental

disabilities. Ms. Ashwini Patil, clinical instructor, accompanied the students.

### 15. Visit to stoma care.

As a part of Medical Surgical Nursing -1 Practical, our 03, First year M.Sc. Nursing students visited stoma care unit in Deenanath Mangeshkar Hospital, Pune. The student learn various approaches and precaution to be taken while handling patient with stoma. Nursing care aspect and prevention of skin disruption were explain. The importance of care points and new equipment development were also discussed. Role of nurse and its responsibilities were discussed. Ms. Ashwini Patil, clinical instructor, accompanied the students.

### 16. Visit to Artificial Limb Centre

As part of our Medical Surgical Nursing 1 and ANP first-year M.Sc. Nursing curriculum, the students visited the Artificial Limb Centre (ALC) in Wanowrie, Pune, on 24/01/2025. The visit aimed to enhance our understanding of advanced prosthetic rehabilitation and the role of technology in patient care. ALC, established in 1944 and relocated in 1948, operates under the Armed Forces Medical Services and is one of India's leading centres for amputee rehabilitation and now caters to both military personnel and civilians. One of the highlights was the CAD/CAM workshop, where prosthetic limbs are custom-designed using computer-aided technology, improving accuracy and patient comfort. This lab uses sensor-based and motorized equipment to improve upper limb function, strength, and coordination. Another significant facility was the Gait Training Lab, opened in July 2024. Ms. Ashwini Patil, and Ms. Samruddhi Kadam, clinical instructor, accompanied the students.

These above-mentioned visits were arranged for first year M.Sc. Nursing students for 2024 - 2025.
