### **LIST OF OPPORTUNITIES PROVIDED FOR THE STUDENTS FOR MIDCOURSE IMPROVEMENT OF PERFORMANCE IN THE EXAMINATIONS**

1. Mentor is assigned to each student. Mentor meets student regularly and whenever necessary.
2. Remedial teaching - It is done for failed students in internal / university exam and for students with prolonged absenteeism due to health related issues.
3. Retest - It is conducted for students who fail in internal / university exam or who have missed internal assessment exam for some reason to improve their performance before marks are sent to university.
4. Discussion – Discussions are done for improving performance.
5. E-repository – Students are given access to question banks (MCQ, SAQ, and LAQ for practice), e resources, PPTs, lesson notes, and videos.
6. Assignments - Further assignments and necessary support is given to the students
7. Emphasis - Emphasizing is done for specific difficult topics in theory and practical exams.
8. Extra Classes – Extra classes or coaching are conducted for clinical case presentation, and difficult units
9. Demonstrations: Demonstrating use of various instruments is done for better understanding.
10. Schematic diagrams/ Flow charts – Practice of drawing diagrams, flowcharts and solving exam papers are given to students as per the need of the student.

These initiatives are provided to students for Mid-course improvement of Academic performance.
