SOP FOR IT COMMITTEE

SOP – Procedures for Maintaining and Utilizing Computer Lab and IT facilities.

Students and faculty need to be acquainted with the rules before embarking on any IT equipments and Computer Lab utilization.

Rules must be strictly adhered to in the IT and Computer Lab utilization

1. Lab Incharges:

- Computer lab will have one lab assistant
- Lab hardware and software functions are strictly inspected by lab assistants before the commencement of practical classes and examinations.
- Lab incharges are responsible for assisting students with gaining access to software, exiting, printing and saving.

2. Admission into student Computer Labs:

- Currently enrolled students in academic programs are allowed to use the computer labs. Students who have class related assignments will be given first priority to use the computers in the labs.
- Unique Mail-ID/ login ID with the institution domain name will be given to the students on their admission.
- All others desiring the use of Computer labs should direct requests to the appropriate Lab Assistant.
- Faculty / staff will be provided access to the Computer Labs.
- Individual system number will be allocated to the students in their respective class schedule.

3. Operating Hours:

- Computer Labs will be open on all working days from 9am to 5pm.
- Early closing during exams or any other maintenance work will be posted in advance in the individual labs.
- Log book is maintained in each lab to record the student/ faculty entry and exit time in the lab.

4. Lab Reservations:

- Computer labs can be reserved for the orientations, workshops, and demonstrations one week in advance by the respective department based on the availability in the regular lab schedule.
- Reservation requests by persons outside the college will be considered at the discretion of the principal.

5. Hardware and Software Platforms:

- Students Computer Labs and IT Committees determine and recommend minimum hardware and software platforms needed to serve curricular needs of students.
- Efforts should be made to purchase new or upgrade existing equipment and software to state of the art models and latest versions.

6. Reporting Problems:

- Minor problems with hardware or software may reported to the Lab Assistant immediately so that they can be immediately rectified.
- Complaints Register is maintained in laboratory. The students and faculty can register system problems in the complaint register.
- Any repair beyond the scope of lab assistants, external agencies are called through the IT Department of the Institute. For any software/ hardware upgradation, the request will be sent to the IT department forwarded by the Principal.
- Computer lab are equipped with UPS inverters and air conditioners that are also subject to regular maintenance and sometimes further servicing and repairing.

7. Do's and Don'ts:

- Cell phones and other electronic devices should be turned on silent or off mode before entering a Computer Lab.
- Students are not allowed to download any software. Downloading or displaying obscene material, copyright infringements, and the transmittal of viruses will be subjected to disciplinary action.
- Printing is limited to college related works.
- Lab assistant will not repair his/her personal machines i.e. laptops.

8. Policy Abuse:

- Lab incharges have the authority to restrict lab access from any patron who abuses the Computer Lab procedures.

9. Virus Protection:

- All Student Computer Lab will provide virus protection tools, installed on the lab's machines, to ensure the integrity of patron's data and to protect the lab's computer operating environments.

10. Regarding Internet use:

- College internet facilities should use only for academic, curricular and official purpose.
- Transfer of any confidential information from college computer is strictly prohibited.
- Do not visit restricted sites from college computers.
- Do not use any social media platform from college computers or internet network.
