**REPORT ON ALUMNI MEET (2023-24)**

**Date:** 19<sup>th</sup> July 2024

**Time:** 09:00 am to 1: 00pm

**Venue:** Multipurpose Hall, MKSSS BTINE

The programme was planned to reconnect with former students, strengthening alumni–institution relationships, and celebrating their contributions to the nursing profession. The event brought together alumni from various courses including Basic B.Sc. Nursing, GNM, ANM, and PB B.Sc. Nursing. A total of 64 alumni attended the meet in person. A few alumni could not be present due to personal reasons or because they were residing out of state or abroad; however, they conveyed their warm regards and best wishes for the success of the programme.

Upon arrival, the alumni were warmly welcomed by **Principal Madam, Dr. Meena Ganapathy**. In her welcome address, Madam expressed her appreciation for the achievements and professional contributions of the alumni in diverse healthcare settings. She acknowledged the role they play in strengthening the nursing profession and encouraged them to stay connected with the institutional activities.

The formal programme at the Multi-purpose Hall commenced with the lighting of the lamp and garlanding of Maharshi Karve (Anna), Founder of the Samstha, and Baya, symbolizing knowledge, tradition, and respect. This was followed by the Principal's welcome speech, in which she highlighted the importance of alumni engagement and encouraged them to contribute to the growth and development of their mother institute in the years to come.

During the session, the alumni were invited to share their experiences related to their professional journey in nursing service and education. Several alumni expressed their gratitude for the strong academic and ethical foundation they received during their training. They also reflected on how their learning at the institute shaped their confidence, leadership qualities, and career opportunities.

Mrs. Ujwala Jadhav addressed the gathering with an insightful talk on the importance of higher education in nursing. She motivated the alumni to pursue advanced studies, upgrade

their qualifications, and enhance their competencies to meet the evolving needs of the healthcare sector. She further encouraged them to remain active as responsible social agents, contribute meaningfully to society, and especially support educational opportunities for girl children.

Towards the end of the formal session, the alumni came forward to share their feedback, memories, and personal experiences on stage. Their reflections added warmth and nostalgia to the event, strengthening the bond between the institute and its former students.

The vote of thanks was delivered by Mrs. Jyoti Karande, who expressed gratitude to all alumni, faculty members, organizing committees, and supporting staff for making the event successful. Following this, an interaction session and photo session took place, allowing alumni to reconnect with their teachers and classmates. Many reminisced about their college days, shared stories, and expressed how much the institute meant to them.

Before departure, alumni were requested to submit their updated contact details for future communication and networking.

Refreshments were arranged for all attendees, providing an informal space for continued conversations.

The alumni meet concluded successfully at 1:00 p.m., leaving behind cherished memories, renewed connections, and a strengthened sense of belonging to the institution.

**REPORT ON ALUMNI INTERACTION ON  
WORLD HEALTH DAY- 2024- 25  
THEME- "Healthy Beginnings, Hopeful Futures"**

**Date:** 07/04/2025

**Time:** 10.00 am to 12.00 pm

**Venue:** Multipurpose Hall

**Theme Introduction**

The health of mothers and babies is the foundation of healthy families and communities, helping ensure hopeful futures for us all.

World Health Day, celebrated on 7 April 2025, will kick off a year-long campaign on maternal and newborn health. The campaign, titled "Healthy Beginnings, Hopeful Futures", will urge governments and the health community to ramp up efforts to end preventable maternal and newborn deaths, and to prioritise women's longer-term health and well-being. Helping every woman and baby survive and thrive This task is critical. Tragically, based on currently published estimates, close to 300 000 women lose their life due to pregnancy or childbirth each year, while over 2 million babies die in their first month of life and around 2 million more are stillborn. That's roughly 1 preventable death every 7 seconds.

Based on current trends, a staggering 4 out of 5 countries are off track to meet targets for improving maternal survival by 2030. 1 in 3 will fail to meet targets for reducing newborn deaths.

Listening to women and supporting families

Women and families everywhere need high quality care that supports them physically and emotionally, before, during and after birth.

Health systems must evolve to manage the many health issues that impact maternal and newborn health. These not only include direct obstetric complications but also mental health conditions, noncommunicable diseases and family planning.

Additionally, women and families should be supported by laws and policies that safeguard their health and rights.

### Campaign goals

- To raise awareness about gaps in maternal and newborn survival and the need to prioritize women's longer-term well-being.
- To advocate for effective investments that improve the health of women and babies.
- To encourage collective action to support parents as well as health professionals who provide critical care.
- To provide useful health information relating to pregnancy, childbirth, and the postnatal period.

World Health Day 2025 is celebrated at MKSSS Smt. Bakul Tambat Institute of Nursing Education on April 7, 2022. On this day, we have planned a Theme Talk on the World Health Day theme for 2025: "Healthy Beginnings, Hopeful Futures. "

We have invited our alumni Ms. Nikita Chopde for the theme talk. Ms. Nikita Chopde was our P.B.B.Sc. pass out student in the year 2024. Previously she was worked as a staff nurse at Pawana hospital and MIMER's hospital, Talegaon Dabhade. Also, She worked at IKEA and Garfield company as an industrial nurse. Presently she is working as a industrial nurse at Accenture company, Hinjewadi, Pune.

We invited Ms. Nikita Chopde as an alumni guest lecturer. Mrs. Rupali Dhume introduced the alumni guest to the students. Ms. Nikita lectured on the World Health Day theme, "Healthy Beginnings, Hopeful Futures. " She also provided information about the World Health Organization and the significance of celebrating World Health Day every year.

Mrs. Jyoti Karande concluded the program and gave a vote of thanks.

## Activity –II

**Venue:** - MKSSS, Smt. Bakul Tambat Institute of Nursing Education, Karvenagar, Pune.

**Date:** - 07/04/2025

**Time:** - 11.00 am to 12.00 pm

On the occasion of World Health Day 2025, we conducted a clay model-making competition. Based on the theme of World Health Day 2025, “Healthy Beginnings, Hopeful Futures,” students participated very enthusiastically. The participating students created beautiful clay models that showcased the theme's concept. A total of 13 students participated in the clay model-making competition. Mrs. Rupali Dhume and Mrs. Ashwini Bhosale conducted the competition. Mrs. Ujwala Jadhav and Mrs. Avantika Anturkar evaluated the competition.
